# HE'S GONE TO THE ARMS OF ABRAHAM.

## COMIC BALLAD.

By SEP. WINNER.

*A piano.*

PIANO.

1. My true love is a soldier In the ar-my now to-day, It was the cru-el

war that made him have to go a-way; The "draft" it was that took him, And it

was a heavy blow." It took him for a Conscript, But he didn't want to go,

## CHORUS.

He's gone—He's gone—As meek as an - y lamb, They took him, yes, they took him, to the Arms of Ab - ra - ham.

rit.

He's gone—He's gone—As meek as an - y lamb, They took him, yes, they took him, to the Arms of Ab - ra - ham.

U - nies And a liv - ing' on "hard tack." Oh, how he look'd like Christian, In the

Pilgrim's Progress shown, With a bun - dle on his shoulders, But with nothin' of his own. Chorus.

## 3.

Oh, should he meet a rebel,  
A pointin' with his gun,  
I hope he may have courage  
To "take care of number one."  
If I were him, I'd offer  
The fellow but a dram;  
For what's the use of dying  
Just for Jeff or Abraham!  
*Chorus.—He's gone, &c.*

## 4.

Indeed, to be a soldier,  
It is so very hard,  
For when a fellow has his fun  
They poke him on the guard;  
One day he shot a rooster,  
The captain thought it wrong;  
And so to punish him they made  
Him picket all night long.  
*Chorus.—He's gone, &c.*

## 5.

I haven't got a lover now,  
I haven't got a beau;  
They took him as a raw recruit,  
But mustered him, I know:  
He's nothing but a private,  
And not for war inclined,  
Although a hard old nut to crack  
A colonel you might find.  
*Chorus.—He's gone, &c.*

## 6.

My true love is a soldier,  
Upon the battle-ground,  
And if he ever should be lost  
I hope he may be found;  
If he should fall a fightin'  
Upon the battle-plain,  
I hope some other chap may come  
And pick him up again.  
*Chorus.—He's gone, &c.*

# SOMETHING NEW:

## WINNER'S PATENT SELF-INSTRUCTING KEY-BOARD SCALE

### FOR THE PIANO AND MELODEON.

PRICE \$1.00. SENT BY MAIL FOR \$1.25.

This valuable invention consists of sections, which are set upon the white keys, showing the names of the keys and the note upon the staff which each key makes when struck. It is highly recommended by all professors of high standing, enabling the learner at once to strike the notes required, without the assistance of any book or explanation from a teacher. Too much cannot be said in favor of this "new idea." It saves the learner the necessity of constantly referring to an instruction-book; for, at a single glance, every note required can be found, with the proper key immediately underneath for executing it. It insures the pupil a rapid and easy progress, without the vexation of a long and tedious study.

Persons wishing "to play a little" merely for amusement or pastime can readily perform the ordinary tunes of the day, by placing the Scale upon the keys and following the music with the corresponding notes upon the board. It does not interfere in any way with the execution of the performer. It is made to fit any instrument, being a light and ornamental addition, easily placed or removed in the shortest possible time. In fact, it is quite a curiosity, and should be attached to every piano, for the accommodation of all learners and amateurs. For sale at the principal music-shops in the United States. Sent by mail to any address, postpaid, on receipt of one dollar and twenty-five cents (\$1.25). Address SEP. WINNER, 523 Spring Garden Street, Philadelphia, Pa.
